

Your Deck Is Done. The Meeting Isn't.

Slides Get Buried

Decks sit unopened after the call

Context Gets Lost

Async viewers miss your voice and intent

Updates Waste Hours

Re-recording every change eats your day

THE SOLUTION

Turn Slides Into a Shareable Narrated Video

- **Keep Your Existing Layout**
Works with PowerPoint or PDF — no redesign needed
- **Add Clear Narration**
No studio. No expensive equipment.
- **Share One MP4**
Works via email, Slack, or any LMS

One Deck. One Video. Ready to Share.

Consistent Messaging

Every viewer hears the same story, every time

Faster Updates

Swap slides without re-recording from scratch

Built for Impact

Training, sales follow-ups, and demos — covered
